Statement of the Substance of the Interview

On 26 March 2007, a telephonic interview was held between Examiner Kevin M. Nguyen and Eric Anderson regarding the subject application. No exhibit was shown nor demonstration performed. No prior art was discussed. The interview concerned the status of claims 14, and 16-18, the rejections for which were withdrawn by Examiner Nguyen in his Examiner's Answer.

In response to a question by Mr. Anderson, Examiner Nguyen replied that claims 16-18 would be in condition for allowance if rewritten in independent form. Mr. Anderson also understood that claim 14 was likewise allowable. Mr. Anderson agreed to submit an amendment-after-final accordingly. No fee is due for this interview summary.

Respectfully Submitted,

J. Eric Anderson
